

The Full Gospel Business Men's Fellowship is a non-denominational Fellowship which is all about real life experiences. Through relevant stories shared honestly about how people have dealt with success that did not bring fulfilment, or of failure that became a launch-pad for a new and purposeful life. What began as a vision given to Demos Shakarian, a businessman, has spread to 160 nations on every continent in the world. The Fellowship provides an opportunity for men & women of all ages to meet together and engage in a varied programme of activities and prayer meetings. Individual chapters arrange different activities for outreach, some have dinners, breakfasts, coffee and cake evenings also lunch meetings which are followed by a guest speaker or demonstrator of many varieties. Women of the Fellowship is a wonderful vehicle to invite other ladies to and are amazing meetings in love and fellowship. You can have a lot of fun and laughter at these events. We extend an invitation to all women of all ages to come along and join in, to make new friends and to discover a relevance in their lives. We look forward to welcoming you to our Fellowship.

Many Blessings.

### Showing the love of Jesus To women:-

*R*- Reach out to the lost & hurting.

*E*- Equipping the body of Christ.

*A*- Accepting women with an openness of Spirit.

*P*- Preparing future leaders.

### To the glory and honour of Jesus Christ.

We are given many challenges in the course of our lives. Each situation becomes an opportunity designed by God for us to grow in our faith and to reach out to those who do not know the Lord. When women teach women, they encourage each other. We find rare treasures as, together, we learn how wonderful and right our God is, and how much He loves and cares for us.

Please join us as we love, learn, and lean on the Lord. Then we shall truly **REAP** the harvest that is ready.
