Who it's for

- Women of the Fellowship is for any woman who is married to a member or any woman who regularly supports the FGBMFI by attending outreach events, bringing their friends and colleagues to hear the Gospel and praying for the Fellowship.
- Women of the Fellowship enables women to have an opportunity of coming together for fellowship and ministering to one another. This enables us to be prepared spiritually for FGBMFI outreach events.

What you can do

- Commit yourself to pray regularly for your local FGBMFI Chapter and the wider organisation.
- Arrange for your friends both inside and outside of the FGBMFI Chapter, to meet together for prayer and fellowship.
- Take every opportunity to encourage women and men to come to Chapter events.
- Organise or participate in local, regional and national events for Women of the Fellowship.
- If possible attend international events; it is a great encouragement to our faith when we meet the wider community of the Fellowship.

Our specific aims

- For the wives of members of the Full Gospel Business Men's Fellowship International to help and support their husbands.
- To pray regularly for the FGBMFI and Women of the Fellowship.
- For women to support the FGBMFI by attending outreach events and bringing their family, friends and colleagues to hear the Gospel through testimonies.
- For women to have the opportunity to fellowship together and to minister to one another.

Our working structure

- The Women of the Fellowship National Co-ordinator is appointed annually by the National Council of the Full Gospel Business Men's Fellowship International in UK & Ireland.
- The National Co-ordinator ensures all policies and publicity are consistent with national Council requirements.
- Women of the Fellowship co-ordinate their events to ensure that they do not clash with any National or Regional open (men & women) events of FGBMFI in UK & Ireland.
- The co-ordinator of any Local Women of the Fellowship Group is appointed by the Local Chapter of FGBMFI.
- All local groups should communicate and work together with the National Co-ordinator in the conduct of their local group.

About the Full Gospel Business Men's Fellowship

Full Gospel Business Men's Fellowship International is a non-denominational Fellowship which is all about real life experiences. These relevant stories are shared honestly about how people have dealt with success that did not bring fulfilment, or of failure that became a launch-pad for a new and purposeful life. What began as a vision given to Demos Shakarian, a businessman, has spread to 160 nations on every continent in the world. This story can be found in the Happiest People on Earth book, which can be obtained from the National Office.

The Fellowship provides an opportunity for men & women of all ages to meet together and engage in a varied programme of activities and prayer meetings. Individual Chapters arrange different activities for outreach. Some have breakfasts, lunch, dinners, and coffee evenings, and they all have guest speakers.

Women of the Fellowship provides support for FGBMFI

Women of the Fellowship is a good way to support the FGBMFI and a wonderful vehicle to invite other women to join together in love and fellowship. We extend an invitation to all women of all ages to come along and join in, to make new friends and to discover a relevance in their lives. We look forward to welcoming you to our Fellowship.

Through FGBMFI and WOF we aim to:

- Reach men and women in all nations for Jesus Christ.
- Reveal the power of Christ to men and women.
- Offer Christian Fellowship.
- Bring greater unity to the Christian Church worldwide.
- Equip men and women to fulfil the Great Commission.
